

Department of Defense Certificate

The state health benefits program offers through its cafeteria plan a TRICARE supplement to employees, along with their eligible dependents. Additionally retirees and their eligible dependents may enroll in the plan through a direct bill process with Association and Society Insurance Corporation (ASI), since they are not eligible to participate in the state health benefits program's cafeteria plan. The TRICARE supplement is an insured plan. The Commonwealth of Virginia offers limited administrative support, and no financial support or incentives to our employees or retirees to participate in the plan.
